

WARRANTY CLAIM REPORT

Any flaw or defect in the machine within the warranty period is reported via this Warranty Claim Report.

The filled out Warranty Claim Report should be sent to an Authorized Service Provider (in written or electronic form) and the Authorized Service Provider will initiate the warranty claim procedure.

In the event of an incomplete or incorrectly filled out Warranty Claim Report the warranty is **not valid**.

Address: _____ Phone: _____

E-mail: _____

Description of flaw or defect

Warranty limitations:

In case the SIP Warranty & Claims Department for determining the validity of the warranty finds that according to general warranty conditions the holder of the machine is not entitled to the repair of the machine, the holder of the machine shall settle the costs incurred due to the unjustified warranty claim.

I hereby acknowledge the enforcement of the warranty procedure and agree with the above-mentioned terms and conditions.
